

Elloughton cum Brough Town Council

Elloughton Cum Brough Town Council presents ... Easter Egg Hunt 2022!

Get your diary out and save the date!

Elloughton cum Brough Town Council will be hosting their annual Easter event on Saturday 16th April 12pm till 4pm. Collect your form before the event begins from the Village Hall or on the Elloughton cum Brough Town Council website. The event will involve walking around the village to find keywords hidden on eggs, once all the words have been found, chocolate Easter eggs will be handed out at the Village Hall.

Come and join us for a day of fun!

We are happy to be publishing once again!

We are happy to once again be publishing the Petuarria Press! The publication of the Petuarria Press will now not only be funded but written and published by Elloughton cum Brough Town Council.

Our issues will be published quarterly. Look out for smaller, digital newsletters going out via email! If you would like to receive the email versions of the Petuarria Press please visit our website elloughtonbrough-tc.gov.uk and sign up to our mailing list.

Printed copies of the Petuarria Press will still be available to collect from:

- Elloughton cum Brough Town Council Office
- Brough Methodist Church
- United Reform Church
- The Petuarria Centre

Elloughton cum Brough Town Council would like to give a special thank you to Justine and Duncan McMillan for their hard work, commitment and professionalism in producing the Petuarria Press for so many years. We hope that, at the Town Council, we will be able to continue producing the Petuarria Press, to their high standards.

Have you seen our new play equipment?

During early February 2022, the Town Council had a new piece of play equipment installed at Elloughton Road Park. Replacing the old see-saw with a new one keeps the park up to date and safe! With constant checks of the play equipment to ensure they are safe means occasionally some equipment will be removed and replaced at a later date. If you spot any broken or damaged play equipment please make the Town Council aware by emailing admin.assistant@elloughtonbrough-tc.gov.uk.

The Queen's Platinum Jubilee

From **Thursday 2nd June to Sunday 5th June 2022** the UK will be celebrating the Queen's Platinum Jubilee with a four-day bank holiday weekend to celebrate Her Majesty The Queen's 70th year as our monarch and Head of Commonwealth.

On **Friday 11th March at 11am** the Town Council planted a stunning Field Maple tree for the Queen's Green Canopy. The planting took place on the green space off Welton Road and Humber Crescent. Chairman Anne Bentley, Vice-Chairman Marinus Loizides (as photographed) and local landscaper Glen Jackson, from GJ Landscaping Solutions Ltd, worked together to plant the tree. We look forward to watching this beautiful tree flourish in the years ahead.

The Town Council is encouraging residents to host their own street parties across the town on **Sunday 5th June 2022**. For more information on how to hold a street party and for information on road closures please visit our website www.elloughtonbrough-tc.gov.uk/new-events/streetparty.

Elloughton cum Brough Town Council will be holding a special Beacon Lighting Ceremony on **Thursday 2nd June 2022 – from 9.15pm onwards on High Road, Elloughton**. The event will be part of a country-wide celebration in which 1,500 beacons will be lit in recognition of the Queen's service, bringing communities across the globe together. We will have the pleasure of welcoming Pipe Major David McRobb who will be playing a piece called 'Diu Regnare', a traditional piping piece. In addition to this, we will also be welcoming Rachel Miller, a local cornet player, who will recite 'Majesty': a piece especially composed for this unique and important event. Attendance is free, but we would advise getting there early, as accurate lighting times will be adhered to. Seating will not be available.

Hunsley Primary Art Exhibition

The Petuaria Community Centre held its first Children's Art Exhibition on the 23rd February, and what a delightful way to cheer up a cold, stormy half-term break!

From Reception to Year 6, every child from Brough's Hunsley Primary School exhibited a piece of their artwork.

For one afternoon only, the children were invited to bring family and friends to their very own art exhibition, where they could view almost 200 pieces of beautiful artwork ranging from mixed media photography, to Picasso, to self-portraits and seascapes. The standard of work was extremely high, and the event was enjoyed by all. Hard-working members of the Hunsley Primary staff, Julie Boyes and Eleanor Larkin, welcomed each child, photographing several as they posed proudly by their exhibit.

The dedicated Hunsley Primary Parent Partners were there, raising funds for their school's resources by selling tuck and school uniforms, whilst the Centre's staff provided refreshments. Leader of the Petuaria's new Art Group, Gerry Wilks, said that his favourites were the 'mood' self-portraits. 'Children love being asked to paint like Picasso or put some emotion into pictures,' commented Mr. Wilks. 'It's a pity we lose this when we grow up!'

Hunsley Primary's headteacher, Lucy Hudson, said, 'We very much enjoy being part of community events - it's a pleasure to be involved. The exhibition was a lovely occasion for the children and families, and everyone is looking forward to the next collaborative event.'

Information by Sara Dawson

The Women's Institute

The Petuaria Community Centre welcomes the Women's Institute, from April 2022.

From 6th April, all women from Elloughton-cum-Brough and the surrounding area will be able to meet together, on the first Wednesday evening of every month at 7pm, to chat, make new friends and enjoy some quality "me" time!

Ann Mitchell of the East Yorkshire Women's Institute said, 'The WI is a unique organisation that is shaped by its members. Membership offers the opportunity to meet local, like-minded women, form new friendships, share experiences and learn new skills along with making a difference in the local community. Joining a brand-new WI gives you the opportunity to have your say in creating a vibrant and diverse WI that is everything you would like it to be. Come along to our informal meeting on Wednesday 6th April and find out what the WI can offer you.'

Email: advisers@eastyorkshirewi.org.uk to register your interest or come along on the night. We look forward to meeting you.

Elloughton cum Brough Village Hall

Update from Kate Brogden trustee secretary.

The Village Hall is up and running again after a lengthy closure due to the pandemic. The trustees have ensured that the hall has been kept in a good state of repair and we are having new gas boilers fitted in July. The current boilers have been in constant use for the past 30 years, we can only hope that the new ones will be as reliable.

The Brough Voluntary Action group are setting up their office in the Village Hall; as soon as WiFi is installed they will be back in action assisting those residents who need transport or any other assistance.

We have some new users, details of which are given on the "What's On" page, if you have any queries please contact the trustees secretary Kate Brogden on 07800 799210.

If you would like to book the hall or meeting room for a class or a celebration please contact the booking secretary Les Greensides on 07400 919901.

Community Consultation Summary

In Summer 2021 Elloughton cum Brough Town Council invited the community to complete a survey about the local area. The survey was available digitally and as a physical copy: to allow villagers their chance to comment and share their views.

We received an outstanding number of replies to the survey, all of whom said they were interested in local issues.

The consultation questioned the format of the Petuaria Press going forward, to which 64% of villagers wanted the Petuaria Press to be mainly online; with copies printed for collection. Hence, you may be reading this online for the first time or a copy you have collected from one of our local collection points.

We discovered, in over half of your responses, that you would prefer to receive community news and events via social media. To this end, we have created Facebook, Twitter and Instagram pages to share information easily, these can be found on page 4 of this issue. We also received a wide range of event requests, such as Children's events and Family events. With this in mind we are once again celebrating Easter with our annual East Egg Hunt on 16th April 2022, and hope many people can join us for a day of fun. We really appreciate each and every response received and all comments and information have been considered carefully.

What's On Weekly?

Details are understood to be correct at time of going to press.

Monday

14th & 15th
May
Brough Methodist
Flower weekend

Brough Methodist Church will also be holding **Hunsley Singers Spring Concert on 7th April 2022 at 7:30pm.**

Humber Timelines Big Dig

Throughout this year, a team of archaeologists, historians and local residents from Humber Timelines, in partnership with pupils from local schools and local volunteers, are embarking on an ambitious plan to discover the hidden history of the Humber region. The archaeologists will employ a tried and tested method called test-pitting, to dig numerous holes across the area. Test pits are discrete 1m by 1m holes, which are completely excavated and filled in again in a single day, or over a period of a few days if the participants want to keep going! As these test-pits are dug layer-by-layer, the finds, like pottery, glass, buttons, and coins, are gathered together and analysed according to what soil level they came from. To make this project a success, test-pits need to be dug in as many places as possible across the town, so the team are making a final appeal to local residents as they are seeking the use of private gardens and land wherever homeowners are willing and keen. The techniques used have been designed to cause as little disruption as possible. Tarpaulins are put down as required, and the soil and turf is put back the way it came out of the ground so little trace of the pit is left.

If you are keen to find out more, or to sign up your garden for a free test pitting pack to be part of Humber Timelines Big Dig visit their facebook page by searching 'Humber Timelines' or email humbertimelines@gmail.com

Visitors always welcome

Charity Event in aid of Dove House Hospice and Mcmillan Charities

In October 2021, when local resident, Sally, was diagnosed with breast cancer, she chose to do something positive, both to give her something to look forward to and to raise money for charity. On 19th February 2022, Sally organized a charity event held at Blackburn Leisure Club in aid of Dove House Hospice and Macmillan Charities. Performances included MIME Stars and K.T.S, after performances, there was a raffle and an auction. The event was a great success and so far, Sally has raised £5193 for the chosen charities.

Local Business Feature

Harrison- Lock Family Butchers Ltd Proprietors: Scott & Susan Lock.

We are a traditional butchers with a modern twist. Situated in the old TSB bank in Brough, we sell a wide range of local products such as free-range pork and chicken, grass-fed beef and lamb. Says Scott 'I have been a butcher for 35 years and I have gained the knowledge and know-how to cater to customer requests. Our staff consists of two full-time butchers and a part-time local lady. My wife, son and daughter also help out when needed. We pride ourselves on working on an anything is possible ethos. We are ready to welcome new and old customers and hope to see you soon!'

Open Times:

Tuesday to Friday 8am - 4:30pm.

Saturday 8am - 3pm.

Closed Sunday & Monday.

Information by Harrison-Lock Butchers Ltd

A Note From Chairman Anne Bentley

Over the last two years during my terms as Chair of the Elloughton cum Brough Town Council we have seen many positive changes. During COVID we continued to hold events for the community which allowed for social distancing and adhering to the then current government guidelines. We held the 'December to Remember' event, the 'Scared Crow Festival' and the 'Easter Egg Hunt' all of which were a great success. We held our first 'Christmas Light Switch On' event in December 2021, and we hope to continue to put on a variety of events in the future.

I would like to express my thanks to our office staff for all of their hard work in bringing these events to fruition and to all the councillors for their help and support!

As a final note I feel sure that you will join me in sending our show of solidarity for Ukraine and those affected by the current conflict.
