Minutes of the Extraordinary Meeting of the Planning and Highways committee held on Monday 30<sup>th</sup> November 2020 held remotely via Zoom.

**Members Present:** Cllr S Duckles, Cllr C Duckles, Cllr Loizides, Cllr Luckraft

**Meeting Clerk:** Danika Lynch (Town Clerk)

**Public Forum:** Two members of the public in attendance.

One member of the public spoke as a representative for the application. He addressed the committee advising them of the personal reasons and the personal need of the specific adaptations that were being made on the property in the application. He advised that in light of the new information from Highways, referring the application to committee would cause serious delays to the application and wishes the Town Council withdraw their previous objections so the application can be decided by delegated powers.

Cllr S Duckles thanked the member of the public for speaking and although the Town Council deeply empathize with the resident, advised this cannot be taken into consideration when reviewing the application as this is a private dwelling and that is not material consideration. Cllr S Duckles advised that it is because ERYC have resent the request with the new information from the Highways Agency, that they have reconvened in an Extraordinary meeting.

Proposed by Cllr Duckles, seconded by Cllr Loizides and agreed unanimously that the Town Council's previous objections to the application be withdrawn, considering the new information.

The Town Council request it noted that the previous concern was the danger of people reversing out of the drive illegally, as per the Highway Code, due to the proximity of the corner and pedestrians walking in a local school area.
